

Town of Rock Falls

Minutes of meeting, Tuesday February 22, 2022

Present: chairman Specht, supervisors Allery and Thompson

Meeting called to order 7 pm

Meeting was called to discuss and decide future cemetery operation

It was unanimously decided to pursue town board management of the cemetery as the current cemetery committee has no specific funds to address and must submit all expenditures to the town board for approval and all costs are run through the general fund.

Mike had a sample of an ordinance from wta, however it was for a cemetery funded with perpetual care funds. The 1st several paragraphs were useful and 3 samples were obtained from towns that use all or some general funds. Mike will pick and choose and get copies to supervisors for review.

The group developed a job description and voted 3-0 to post this job as salaried, The question came up could this again be a couple or split job. Mike will check with Cordova regarding insurance of 1 employee versus 2.

Adjournment 8:20 pm

Submitted by Mike Specht, chairman
